

SEQAC Inc is proud to present to you 1x two day clinic & 1x one day clinic with Mark Shaffer, 100x times World & National Western Pleasure Champion, from Texas, USA.

The clinics will be held November 6th 7th & 8th 2010 at the Burpengary Equestrian Centre.

What you can expect to gain from this clinic is a detailed explanation of the horse's movement. Mark will teach you a series of exercises, a "set of tools", that will enhance your training program and help you understand not only your horses movement, but also the degrees of difficulty in what we are trying to achieve in the competition world. Those attending the clinic get 12 months support from Mark Shaffer on everything covered.
