2. SHIPPED SEMEN - The Stallion Service fee, shipping fees, semen transport container deposit (if applicable) are to be paid in full and a copy of mare papers, contract signed and executed by both parties before semen is shipped.

The Stallion Owner agrees to ship chilled semen from the aforementioned stallion to the mare owner the fastest way possible. Transportation of the stallion semen will be selected by the stallion owner, unless otherwise prearranged.

Semen is collected Monday through Friday. Stallion owner must be notified before 9:00am EST on collection days, of the mare owner's need of semen.

Weekend shipments may be available with prior arrangement. Stallion owner requires 48 hours notice.
Note: *some carriers do not ship on Sundays.*

The mare owner must make contact at least 16 days prior to anticipated time of needed semen, for collecting days, dates and availability of semen. Availability of semen depends on the notification schedule and mares on the farm. The mares on our stud have priority over the shipped semen mares.

The stallion owner agrees to ship semen the first time at a fee of **\$275** collection / shipping fee. All shipments after the first will cost the mare owner **\$275**. Multiple shipments will be limited. A shipment will consist of enough semen for ____ mare/s on one day.

If required - a deposit of **\$20** for the semen shipping container (*this amount is refundable when the semen shipping container is returned in same condition it was sent*). *Clients can opt to purchase shipping contains from **Triandibo Quarter Horse Stud** for **\$20**.

The mare owner is also responsible to insure that the mare to be bred is properly prepared for breeding: **This shall include a clean swab report from a licensed veterinarian.** Mare should be cycling properly.

The mare owner shall send the contract back signed, with all correct information filled out, accompanied a copy of the mares registration papers, the Stallion Service Fee, plus the first shipping fee of **\$275**. (*If applic.*)

The mare owner's veterinarian will be monitoring the above mention mare for ovulation. The mare owner's veterinarian will communicate with the breeder on availability of semen.

The mare owner accepts full responsibility for shipping the semen shipment container back to us within 7 days of receiving it using Australia post - express post service. This deposit cheque will be mailed back to you immediately providing all of the above conditions have been met and there is no more need for semen. Communication between Mare owner's veterinarian and **Triandibo Quarter Horse Stud** is essential.

The mare owner agrees to breed only the mare booked and not use the semen to breed any other mares. In the event the mare to be bred does not settle, the mare owner will hold the stallion owner blameless.

The mare owner agrees to have a licensed veterinarian or *certified A.I. Technician, inseminate the mare and fill out the appropriate association paper work, and returned.

****(Please check with your association with regard to the use of a certified A.I. Technician prior to the insemination of your mare.)***

NO EXCEPTIONS

3. LIVE FOAL GUARANTEE

Live foal means the foal shall stand and nurse unassisted. It is understood that if the mare proves barren, aborts her foal or if the foal is stillborn, a one time return season will be guaranteed the breeding season immediately after you enter into contract with Triandibo Quarter Horse Stud, providing *proper notification is given. It is agreed that mares over 18 years old are ineligible for the LFG.

*** Proper notification shall be defined as follows:**

Written certification by a licensed veterinarian within 5 days, that the mare has slipped or produced a non-viable foal. Live foal guarantee on the before mentioned stallion is as follows: **Triandibo Quarter Horse Stud** will re-breed the same mare for a **\$550** return fee plus a **\$275** "semen shipment fee" on each shipment, plus a refundable deposit of **\$20** for the semen shipment container. The stallion owner, at their discretion, may require the mare be rebred at **Triandibo Quarter Horse Stud** or recognised breeding centre.

4. BREEDING SEASON AND CONDITIONS

The **breeding season** covered by this contract shall begin **September 1st, 2018** and end **January 30th, 2019** unless extenuating circumstances arise or by private treaty.

It is further agreed that should the aforementioned stallion die, or become unfit for service: or if the aforementioned mare dies during the breeding season covered by this contract, the mare owner may substitute another mare: **# if applicable: or breed the above named mare to another stallion on the stud.** That it is agreed to by both mare owner and stallion owner.

A breeding certificate, where applicable, will be issued to the mare owner, only after all expenses have been paid in full. The **\$550** booking fee, (part of the stallion service fee), Vet & Agistment costs (where applicable), all shipping and all collection fees (where applicable) are non-refundable.

At the stallions owners discretion, **Triandibo Quarter Horse Stud**, may refund the refundable part of the stallion fee and terminate this agreement at any time. There are a limited number of outside mares accepted for natural service & shipped semen. So we recommend that you sign and return this as soon as possible with all applicable fees.

Triandibo Quarter Horse Stud is well aware of the high cost associated with transporting horses and the collection and shipping of semen. We want your mare in foal on the first shipment and are managing our stallions to their fullest potential. We prefer you utilise the services of an established / reputable equine veterinarian or reproduction facility. This will best insure to keep the expenditure, of both parties, low.

5. ONLY IF APPLICABLE

Stallion Auction Breeding purchased via a stallion service auction is only good for the breeding season directly following the auction close. Stallion Auction Breeding cannot be carried over year to year for any reason. There is no live foal guarantee with a Stallion Auction Breeding. We will require written notice from the stallion service auction management and confirmation that all fees and charges have been paid in full before semen can be shipped or natural service booked. **There is an associated \$250.00 collection & shipping fee.**
