Breeding season and conditions

The breeding season covered by this contract shall begin September 1st, _____ and end January 30th, _____ unless extenuating circumstances arise or by private treaty..

It is further agreed that should the above named stallion die, or become unfit for service: or if the above named mare dies during the breeding season covered by this contract, the mare owner may substitute another mare (*# if applicable: or breed the above named mare to another stallion on the stud*) that is agreed to by both mare owner and stallion owner.

A breeding certificate, where applicable, will be issued to the mare owner, only after all expenses have been paid in full. The \$550 booking fee, (*part of the stallion service fee*), Vet & Agistment costs (*where applicable*), all shipping and all collection fees (*where applicable*) are non-refundable.

At the stallions owners discretion, **Triandibo Quarter Horses**, may refund the refundable part of the stallion fee and terminate this agreement at any time. There are a limited number of outside mares accepted for natural service & shipped semen. So we recommend that you sign and return this as soon as possible with all applicable fees.

Triandibo Quarter Horses is aware of the high cost associated with transporting horses and the collection and shipping of semen. We want your mare to settle on the first shipment. We are managing our stallions to their fullest potential. We prefer you utilise the services of an established / reputable equine veterinarian or reproduction facility. This will best insure to keep the expenditure, of both parties, low.

SHIPPED SEMEN

The first shipment of semen is included, however a shipping fee of \$220, will be applicable for subsequent shipments. A semen shipment container deposit of \$ _____, must be paid before semen is shipped.

NATURAL SERVICE

Stallion service fee includes breeding on (3) Three cycles. Subsequent cycles will incur a handling fee of \$300. The balance of the service fee is required on a positive pregnancy of 42 days or before the mare is removed from Triandibo Quarter horse Stud.
